# Dear

MEMBERS AND FRIENDS,

With its tidy English gardens and untamed wilderness, white-suited lawn bowlers and tattooed Maori elders, austere glacial fiords and boiling volcanic mud pots, New Zealand is a spectacular country of striking contrasts. Isolated from other land masses by the swells of the Tasman Sea and Pacific Ocean, it is a world unto itself.

*New Zealand by Sea* explores the country's lush green islands, from the city of Auckland on the North Island to world-famous Milford Sound on the South Island, aboard the *Caledonian Sky*, an ideal vessel for accessing New Zealand's islands, fiords, and craggy coastline. Visit Rotorua, the heartland of Maori culture, and the stunning Te Papa Tongarewa Museum, which brings to life the history of the native people of New Zealand, in Wellington. At the Canterbury Museum's Hall of Antarctic Discovery in Christchurch, learn about "Operation Deep Freeze." Travel by motor coach to the Otago Peninsula for a visit to the Royal Albatross Centre to see the only mainland breeding colony of these majestic birds. Land by Zodiac craft on Stewart Island to hear the strange "dingdong" call of the bellbird, and marvel at the sheer granite walls and tumbling waterfalls of Doubtful and Milford Sounds in Fiordland, a region so remote and wild that it remains largely unchanged since the days of Captain Cook. Optional post-tour excursions in Queenstown and Sydney, Australia, are also available.

We are fortunate to explore this remarkable country in the company of an excellent team of lecturers and travelers from Yale, MIT, Smithsonian, and the National Trust for Historic Preservation, as well as expert local naturalists and cultural guides. Optional post-tour extensions, one in Queenstown and the other in Sydney, Australia, are also available.

Escape winter and enjoy summer in New Zealand by reserving your space today.

For information or to reserve space, please contact the Santa Barbara Museum of Art at (805) 884-6436 or [travel@sbma.net](mailto:travel@sbma.net).

## STUDY LEADERS

Smithsonian Journeys Expert **NEVILLE PEAT** is an award-winning New Zealand writer and adventurer who has published nearly forty books on geography, biography, history, and the natural environment, the most recent being

Shackleton's Whisky. A former Dunedin city councilor, Neville has accompanied ship-based tours of mainland New Zealand and the New Zealand Subantarctic Islands for the past 15 years as a lecturer and guide. He also led Dunedin's Orokonui Ecosanctuary, an ecological island wildlife reserve, for six years. A very popular lecturer, Neville infuses travelers with his passion for and encyclopedic knowledge of New Zealand's natural wonders.

**GORDON TURNBULL** is the general editor of the Yale Boswell Editions. Born in Sydney, he graduated with first-class honors from the Australian National University in Canberra, taught at the University of Newcastle (New South Wales), then joined Yale as a Fulbright scholar to pursue his doctorate in English literature. He taught for seven years in Yale's Department of English and in 1997 assumed the directorship of the Boswell project, one of Yale's greatest scholarly enterprises. A lively and witty lecturer and seminar leader, Mr. Turnbull also taught in the Yale-in-London program.

Explore New Zealand's magnificent natural beauty, epitomized by Milford Sound (cover); spectacular wildlife, including large and raucous royal albatrosses (pictured here); and fascinating Maori culture, whose traditional and distinctive tattoo art form, or *moko*, has experienced a recent resurgence as a sign of cultural identity and pride.
