

# SBMA EDUCATION: Grades VIRTUAL RESOURCES K-6

## **SBMA AT SCHOOL**

SBMA At School is a web page to discover featured SBMA lesson plans and educational videos. Organized by subject matter and grade level, the site features lesson plans related to English Language Arts, History-Social Studies, Visual Arts, and Ethnic Studies. New lesson plans are added monthly.

## VIRTUAL ARTFUL MAKING

In this virtual version of the Artful Making program, 4–6th grade students explore an artistic genre or theme in a 45-minute interactive PowerPoint presentation and hands-on art activity. Themes include "The Ancient World" and "Seeing Nature."

#### **Register Here:**

https://tickets.sbma.net/school-group/schoolfield-trips/

### **SBMA GOOGLE DRIVE**

To easily add SBMA materials to your students' Google Classroom, we've created a Google Drive full of SBMA lesson plans, coloring pages, art activities, and more!

## ART SBMAEDUCATION: ART Grades VIRTUAL RESOURCES K-6

## **ART SPARKS!**

These step-by-step art breaks are designed to be quick and easy-to-do projects created with everyday materials found at home. Inspired by artworks in SBMA's permanent collection, Art Sparks encourage breaks away from the screen to draw, wonder, collage, and create! Discover art projects ranging from watercolor and drawing, to collage and fabric painting.

## MINDFUL LOOKING MEDITATIONS

Mindful Looking, a series of artful meditations created by SBMA's Education Department in collaboration with Vivian Valentin, offers short reflections on works of art from SBMA's permanent collection. These art-based mindfulness exercises allow students to pause, reflect, and focus on breath, while cultivating curiosity, awareness, and acceptance.
