

AUTUMN LEAF DRAWINGS

Over the Thanksgiving break, go on a leaf hunt in your neighborhood inspired by Soren Emil Carlsen's *Autumn Landscape* (1904). Then, using the leaves you found, follow these simple instructions to recreate fall colors for your table decorations or just for fun.

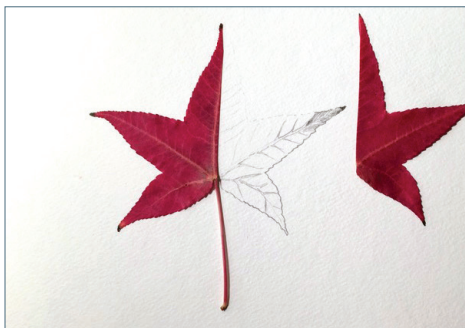

MATERIALS

- Leaf
- Paper
- Pencil
- Glue
- Scissors

STEP 1

Cut a leaf in half and glue on a piece of paper.

STEP 2

Trace the cut side of the leaf and draw detail.

STEP 3

Look closely at the leaf's light and dark areas to finish drawing with pencil.
