A GALLERY GUIDE

SANTA BARBARA
MUSEUM OF
ART

This gallery guide is designed to help you make meaningful connections to artworks in the Museum's collection. Rather than direct you to a specific work of art, we invite you to start at an image that interests you and use the prompts below to discover more and spark conversation as you move through the galleries. You can start anywhere in the Museum.

FIND AN ARTWORK THAT...

Surprises you or
makes you think

Confuses you

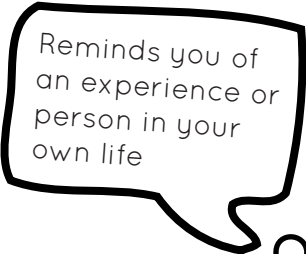

Is beautiful

Disturbs you

Inspires you

Reminds you of
an experience or
person in your
own life

WHICH ARTWORK WOULD YOU CHOOSE TO...

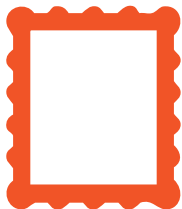

Save in
a natural
disaster?

Give as
a gift?

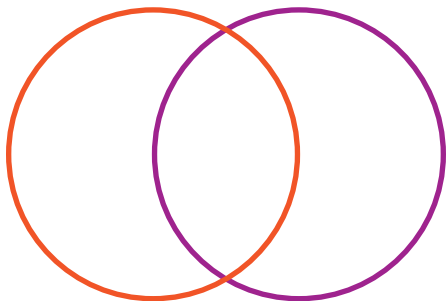

Hang on your
own wall?

FIND AN ARTWORK DEPICTING...

FIND TWO ARTWORKS...

That seem to be connected in some way and discuss what you see that makes them "talk" to each other.

SHARE AN ARTWORK...

About which you have a question.
What do you think about this work
of art? What do you wonder?

Take a picture of your favorite work
of art and share it at #TalkAboutArt.
